Re: Petition of Crusader/Mountie, LLC for Approval of a the Sale and Transfer of Its Sewer
System Assets to Renewable Water Resources
Docket No. 2017-373-S

Dear Ms. Boyd:

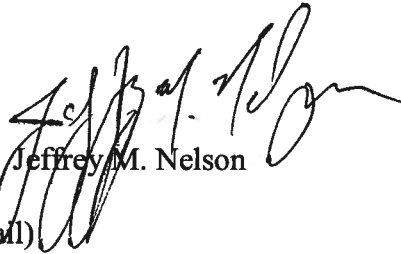

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina ("Commission") that ORS has reviewed and does not oppose the filing submitted by Crusader/Mountie, LLC, ("Crusader") requesting the approval of the sale and transfer of its sewer system assets to Renewable Water Resources ("ReWa").

Crusader's authorized service area is the Greenville campus of North Greenville University and certain customers in the Cherokee Valley community. ReWa is a special purpose district and political subdivision that operates an extensive sewer system and service in Greenville County, South Carolina. Upon the transfer, ReWa intends to charge customers for wastewater services at the current Crusader rates. Rates will only be changed if and when the ReWa Board approves an adjustment in the future.
